September

Today is our new beginning,

to share our excitement together...

to experience
difficult times...

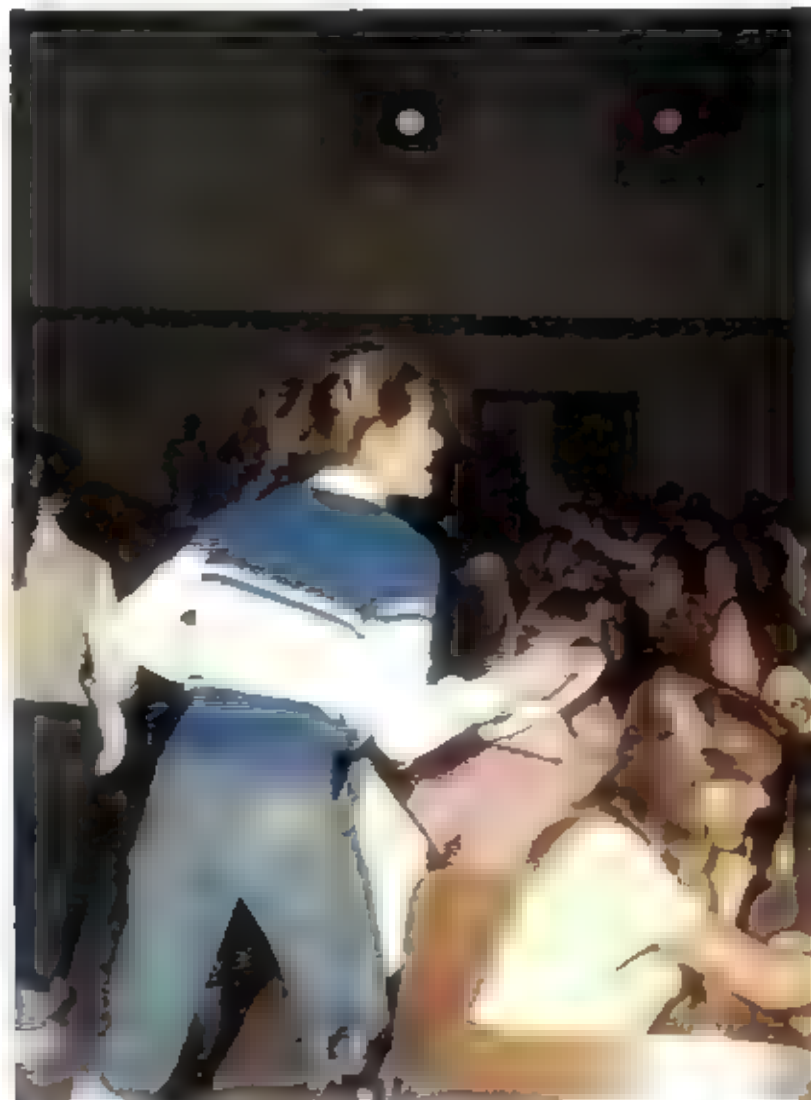

to really live
our lives...

But as one we can face our
tomorrows with a ray of hope.

So let us not anticipate
an end to our tomorrows
for

We've Only Begun!

School Bells Ring, Again!

On August 21, DeRidder's high school students departed from their places of residence to attend the first day of school. Like most schools across the nation, it was mass confusion. Seniors sending freshmen to the most remote places, the freshmen, not knowing where they were, became emotional when an older student tried to help them.

There was not any major changes in the rules with the exception that if you drove a car to school, a paper had to be notarized. This gave the administration the right to search your car. It was a typical first day.

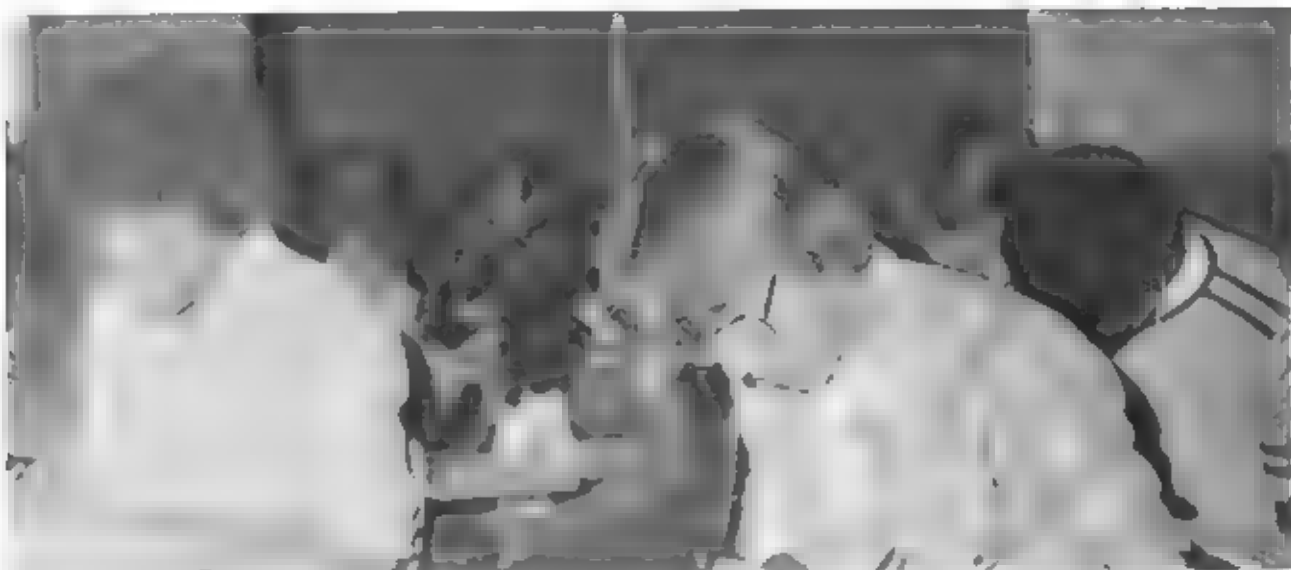

It looks so forbidding!

The year starts off with ordering class rings.

And then . . .

Workin' hard!

Here it is!

This is such a drag!

No! It's that way.

If you think it looks like fun, come do mine for me.

Jamboree Lends Mighty Dragons 1st Victory

The mighty Dragons began the football action for the 1978 season with a victory over Many at Leesville's Jamboree.

Since this was the team's first game, they seemed to have a little trouble getting it all together. By the second half, they had organized themselves and were back on their feet in Dragon tradition

The referee watches the play closely

Vincent displays the mean look.

The mighty Dragons are warming up before the game.

Felese and Kate stand fascinated by the game.

The coach and his team watch the plays from the sidelines.

Pep Rallies Recover Quickly

Pep rallies seemed to be becoming a dying species for a while this year, but eventually a few creative students set them back on their feet.

Some interesting posters come out of poster parties.

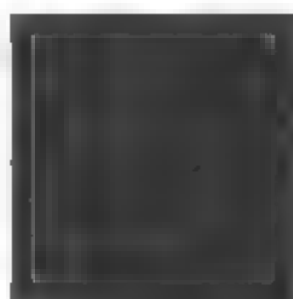

Albert and his friend add a little spice to the outside pep rally on "goat roper day!"

Big "G", little "O", Go, Go!

Juniors really show spirit!

The Entertainers Return

Soon after the first school bells ring, the Entertainers, a group from Northwestern, appear at DHS.

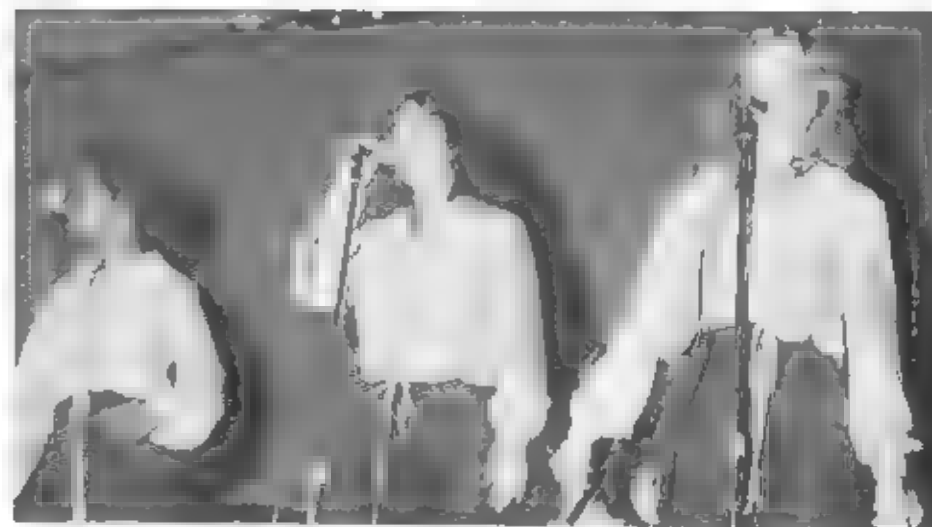

This year the occasion was an especially thrilling one because one of the group is someone we all hold dear . . . Linda Cooksey, DHS Alumni.

Since most of us hadn't heard her sing since the last DHS choir performance of the year before, we were very excited about her solo. And, as usual, it was great!

Of course the rest of the group was terrific, too! It's one assembly worth coming back for.

Blowin' Away

These three beautiful girls really added something to the sound of things.

Taking a short gossip break.

Crowd pleaser!

Dragon Eleven Has a Good Season

After weeks of practice, the pride of DeRidder faced the official '78 season.

Both coaches and players felt they were well prepared, and they proved they were against Natchitoches Central High, with a score of 14-0. The offense and defense put on a fine performance against Leesville High with a score of 23-6. The Parkway game ended with a score of 16-9 in favor of the Dragons. They were victorious over Alexandria 17-7. Finally, they showed real Dragon power over LaGrange 13-7.

Now that's action!

Coach Johnson calls them from the sidelines

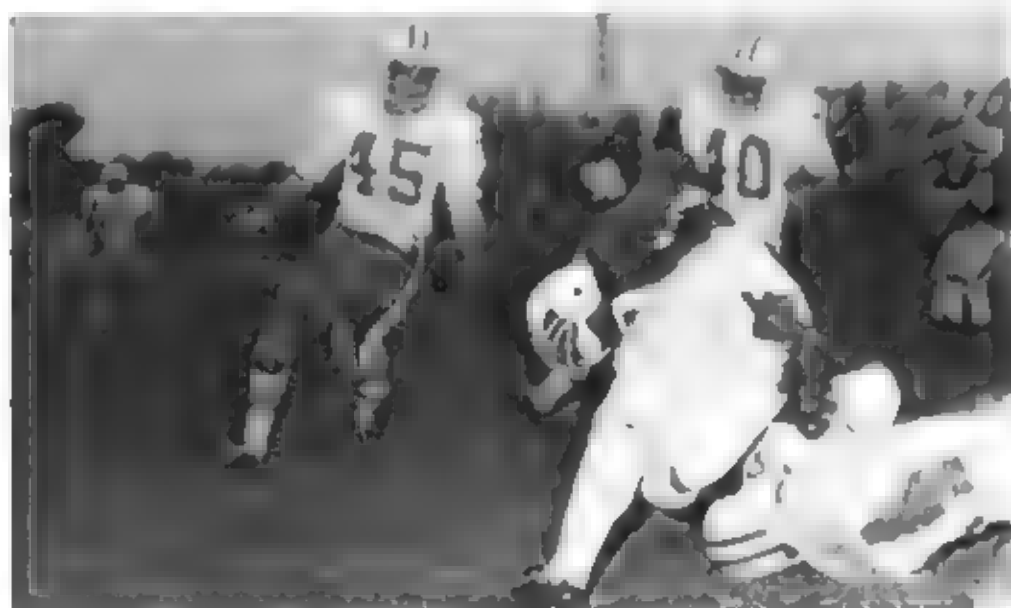

A fight to finish

Then something happened to this victorious team when they faced their archrival, the Golden Tors of Sulphur, who defeated them 6-10 in a district game.

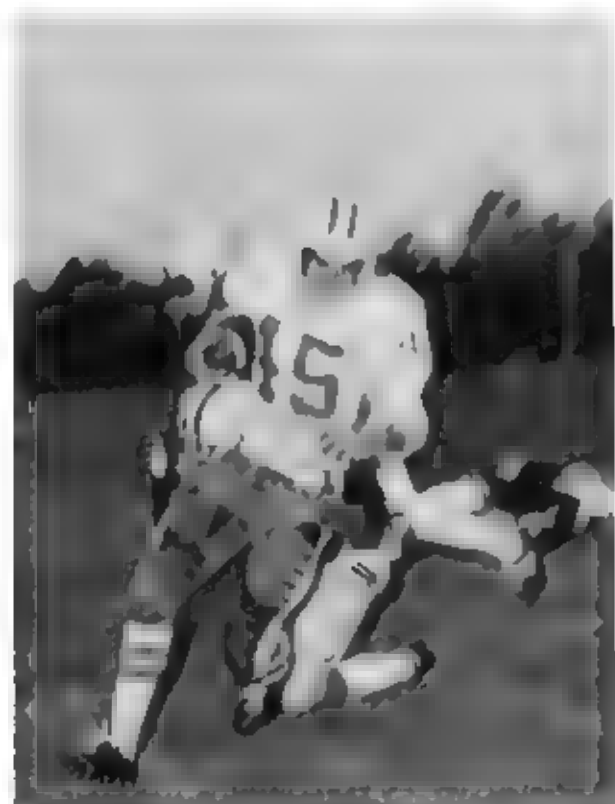

The trend continued the next week and Barbe defeated DHS 6-29.

That ol' DeRidder spirit came through for the Homecoming game against Lake Charles High with a score of 30-7.

Unfortunately, the final game of the season proved to be a disappointment, as the Dragons were put out of district play after being defeated by Captain Shreve 6-13. The '78 Dragons gave it all they had, and they will always be #1 in our hearts because of it.

Three against one. That's not fair!

It's hard to knock down "the blue flash."

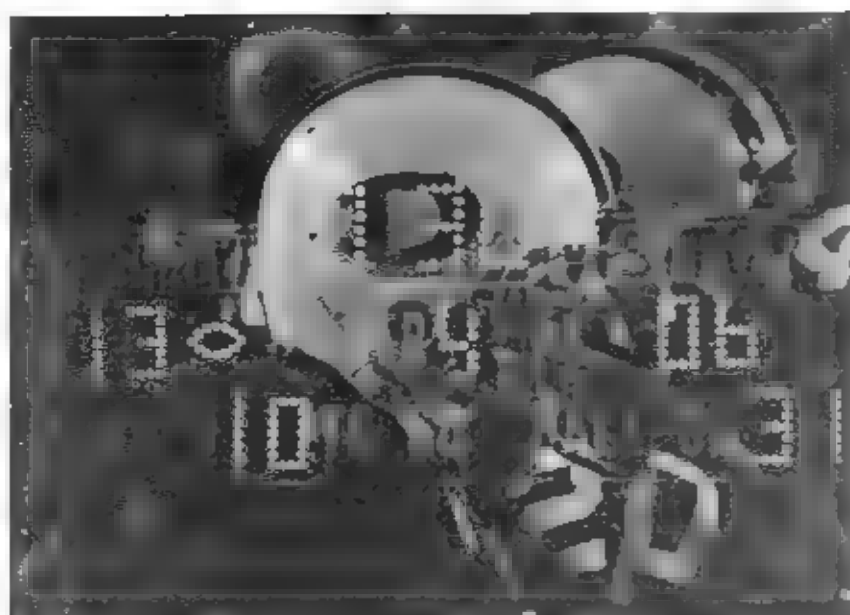

The guys discuss game plans.

And
on. . .

Vincent to the rescue.

There were disappointing moments.

Fun at the Fair!

On October 4, we joined students from all over the parish for a fun filled day at the Beauregard Parish Fair. The theme of the fair was centered around the fiftieth anniversary.

The familiar sights, sounds, and smells greeted us as we entered the gates. As usual, we left with the feeling of exhaustion.

Up among the trees

The Horror of it all . . .

I don't know if I should ride this or not.

The double ferris wheel was floating with the clouds.

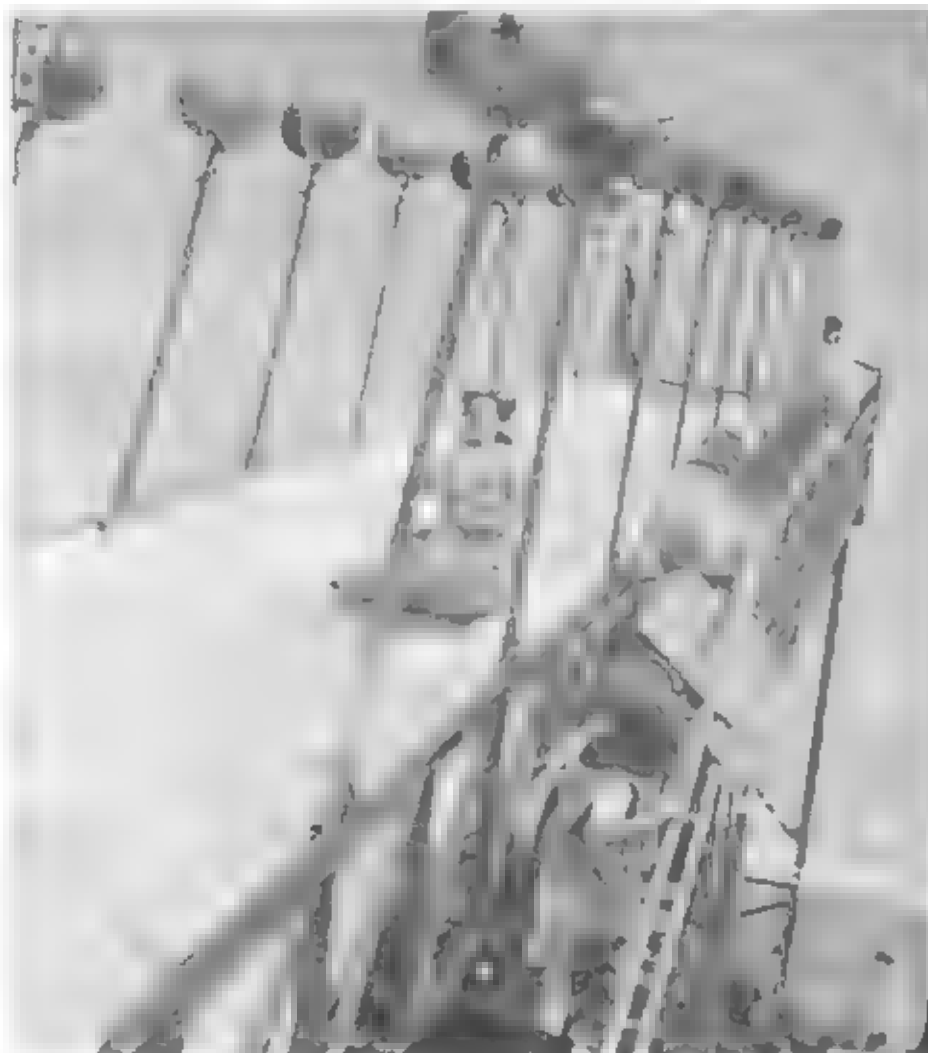

Let's try that now

There is only one empty car left

I think I ran out of money.

This is so much fun!

Spirit Week Goes on as Usual

Spirit was, as it always has been, a time for partying and boosting school spirit. This year the week was celebrated in the traditional ways with a bonfire and fifties day. Both were a lot of fun and will always be remembered.

Learning is fun if it is in Pilot Pack!

Academics Defined

What does academics mean? The dictionary defines it as "concerned with general education". At DHS, academics mean working on a research paper in the library, learning to play strategy games in Pilot Pack, studying with a friend, and, of course, taking a test. Other students take time to laugh a little and relax at break

Loren and Irwin take time to study

Joe says that Pilot Pack is No. 1 with him

Fads and Fashions

Straight leg jeans and spike heels were a favorite.

The "big" shirts were comfortable.

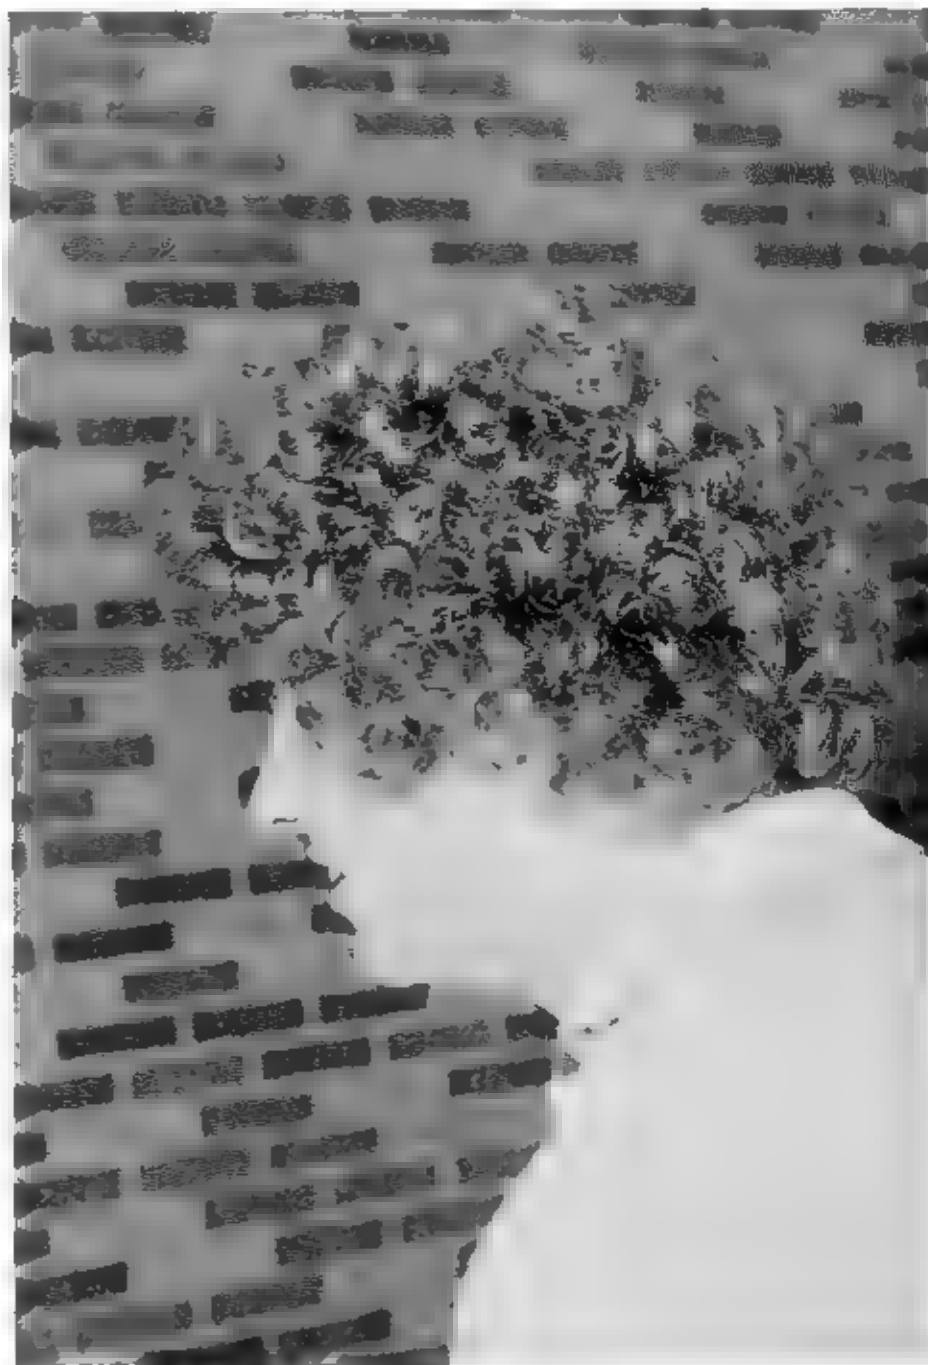

Altha has the crimped look.

The new "fads and fashions" have arrived once again at D. H. S. Straight leg jeans and spike heels are considered the "in" thing. Every girl is buying and wearing the thin gold, S-chain belts for a feminine look. For a comfortable and loose fit, the "big" shirts are being worn.

Curls are in and everybody has them! Girls, boys, blacks, and whites are finding that frizzed or crimped hair is comfortable and easy to care for.

The band style show sponsored by the Standard and Stag Shop presented many of the latest fashions, also.

Two Qualify For The USGF State Meet

1978-79 found the gymnastics team full of enthusiasm and ready for a winning year. Four J.V.'s moved up to the varsity team and seven new girls joined the J.V. ranks. Michelle Thomas returned as manager.

DHS competed in three dual meets and four invitationals. At the Ark.-La.-Tex. Meet in Shreveport, two dragons placed in the top six of 128 competitors with scores of 8.25. The West-Sectional State Qualifying Meet held in Monroe was completely dominated by the DHS varsity, winning 11 of 15 places. Crain and Klenk qualified for the USGF State Meet.

DHS Gymnasts competed in three dual meets: Lafayette, Baton Rouge, and Carencro High Schools. Because of injuries and illness the young inexperienced team members had to carry the load. This gave the J.V.'s the experience they will need for next season.

Four gymnasts will graduate: Janet Klenk, Peggy Hennigan, Kate Coyne, and Manager Michelle Thomas, but they will not forget: Catfish Junction, trying to move the horse, falling on their head and all the aches and pains. The Lady Dragon gymnasts end a long hard season with spirit!

Let's Make Music Together

The D.H.S. choirs, under the direction of Mrs. June Taylor, had a busy year. The choirs consist of the Varsity Choir and the Girls' Choir. Their main performances include the Christmas and Spring Concerts held in the DHS Auditorium.

The Varsity Choir traveled to Alexandria to perform a Christmas Concert for the patients at the VA Hospital. The American Legion of DeRidder sponsored the trip. Also at Christmas, The Girls' Choir sang carols at the local nursing homes and gave out candy canes to the patients. The Honor Choir and "Fun Time," a newly organized instrumental group, performed for several banquets in DeRidder.

A variety show was held in the spring for the student body, featuring both choirs, a girl's ensemble, a gospel choir, "Fun Time", and featured soloists and dancers. The show was a big success!

The choir held an awards banquet recognizing choir students and honoring the 19 graduating seniors.

The D.H.S. Choir earned money for their expenses through a candy sale and a bake sale at the Arts and Crafts Festival. The choirs and Mrs. Taylor deserve much honor for their efforts this past year.

Batter Up!

The 1979 "Dragon 9" started off the baseball season with two victories over East Beauregard. Under the coaching of Danny Geroy, the players made a fine effort on the field. Their losses were contributed to mental errors; these stood in their way to being the best team ever. There were times when the Dragons plunged through and admitted to being victorious. An example of this is when the Dragons defeated Sulphur in the first district game of the season.

The returning senior players are Gary Barrett, Buddy Burns, Sonny Hurtado, Mike Johnson, Scott Rittman, and Larry Simmons. At the time of publication the Dragons held an overall record of 10-7. They have gained valuable experience throughout the season.

Thirty-seven students in grades 10-12 participated in the gifted program during the 1978-79 school year. These students spent one hour per week in group sessions studying values, creativity, self awareness, communication, and other enrichment topics. Most of the students also spent two hours per week participating in a community action project. Some tutored small children or assisted teachers, some worked at the parish library, and others helped in offices.

The highlight of the year was a trip to Dallas to see the "Pompeii A.D. '79" exhibit consisting of art treasure and relics from the city of Pompeii.

Class of 1979/137

The last school days were those most treasured by both under-classmen and seniors. Those days for the 1979 graduates were most happy and exciting for they knew they had finally made it!

To freshmen, it brought a sense of maturity; to sophomores, the feeling of establishment; and to juniors, the sense of feeling almost there. It drew all minds to think of the days ahead that held wonder, accomplishment, failure, sadness, and the dreams and hopes of a life time.

Melissa must not agree with something.

EXPENSIVE SPIRIT?!

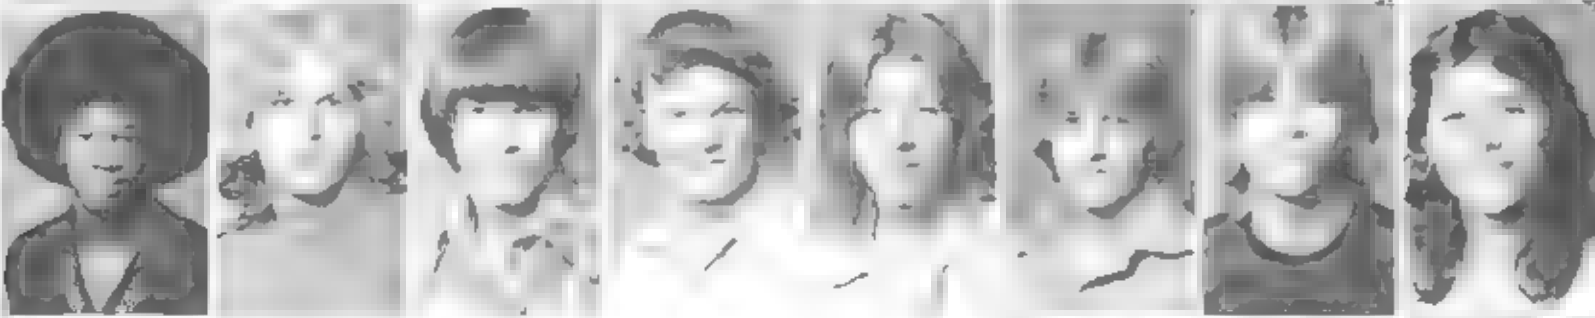

The seniors of '79 certainly proved their spirit during homecoming week this past October. They did this by building the longest spirit chain ever recorded in the history of the Student Council Spirit Chain Contest. The chain was constructed of 1,667 blue, construction paper links, had a length of 418 feet and stretched 6 times around the DHS gym floor. This humongous chain cost the ambitious class approximately \$96 to build. It was made possible by a three day mass collection of pennies, nickels, dimes, quarters, and dollar bills.

All in all, this year's winning chain showed the definite amount of spirit that the class of '79 possessed.

The 1979 Annual Staff indeed accomplished a tremendous task when the final deadline was met on May 29. The 1979 annual surpassed all others with an added twelve pages filled with excitement and beauty.

After a long, enduring year, the staff exhibited enthusiasm, confidence, and most of all creativity in what they had accomplished.

Composing an annual is no small or easy task, but the final product proved worthy of the long, hard hours spent.

We would like to extend a warm thanks to the faculty, Mr. McLamore, the school, and most of all our sponsor, Mrs. Corliss Labue. The Dragon staff put everything they had into it for after all, "We've Only Begun."

What Does The Future Hold For Everyone

As I reminisce over the last few months, a thousand thoughts rush through my mind. The planning and preparation of this annual was not an easy task, however we shared ideas, thoughts, and feelings never to be shared again. Upon closing, I find this to be a happy yet sad task. My staff and I have presented to you a final composite of the 1979 school year. Our only hope is that you shall reflect upon the events and the people and remember what a grand year it was. Anyone opening this annual in years to come will be able to share the hopes, dreams, and aspirations set by you. To everyone who contributed to our success, may I say Thank You. After all, this is our book and your book and everyone will know that. We Have Only Begun To Succeed.
